

## SCHEDULING BOOKLET

This is a course offering booklet that has been developed to help you determine the best options in reaching your goals. It contains important information regarding the academic offerings at duPont Manual High School. This booklet will assist in creating the best possible learning plan for next school year. It is the goal of our school to provide each student with an opportunity to prepare for his/her further education, upon graduation from high school. Programs can be tailored to meet the needs and requests of each and every student. As you select and plan your high school career, pay close attention to high school graduation requirements as well as courses that most closely align with your magnet program, and career and personal interests. In addition to core courses, the school offers a wide variety of rich electives. These electives are open to all students, dependent upon any specific course prerequisites or what your individual schedule will accommodate. Read the guide thoroughly with your parents, and then create a schedule best suited for your interests and needs (remember to have alternates). Counselors, teachers, and administrators are available to answer all your questions and guide you. (**Course Descriptions are available on-line at [www.dupontmanual.com](http://www.dupontmanual.com) , click on **Counselors then Scheduling.****)

1. Students and their parents must assume the responsibility for providing the school with a schedule designed to meet graduation requirements. If a schedule is not completed according to instructions and given to the counselor by the time and date established as a deadline, a schedule will be completed for you. This eliminates your choice of courses. Schedules made out in this manner will not be changed.
2. Students are responsible for meeting with their counselor and making up requirements previously failed.
3. All students are required to sign up for a full schedule (adjustments will be made later for UL or for student aides). Courses are based on one year's work (36 weeks) with a progress report at 6 and 12 weeks each semester. Students receive  $\frac{1}{2}$  credit for successful completion of a class each semester.
4. Current teachers of English, Math, Science, Social Studies, Foreign Language and specialized electives will recommend appropriate courses and will sign your Student Course Request sheet where indicated.
5. Make sure you place an X and highlight eight (8) courses and then place an A1, A2, and an A3 for three alternate course choices. A parent/guardian must sign the Student Course Request sheet.

## PRE-COLLEGE CURRICULUM

The Kentucky Council of Higher Education has adopted the minimum requirements listed below for unconditional admission to the public universities in the state. The requirements are as follows:

Content Area	# of Credits
English	4
Math	4 (Algebra I, Algebra II, Geometry or more advanced math courses)
Science	3 (Integrated Science, Biology, and Chemistry or Physics)
Social Studies	3 (World Civ., U.S. History, and one of the following- Government, Geography, or Economics)
Health and PE	1 ( $\frac{1}{2}$ credit of Health, $\frac{1}{2}$ credit of PE)
Humanities	1
Foreign Language	2
Electives	In addition to the above courses, college-bound students are encouraged to take, as part of their elective course selections, additional course work in math, science, foreign language, arts, or computer literacy.

## DIPLOMA REQUIREMENTS

Students must:

1. Meet the minimum requirements of the KDE Program of Studies, which is 22 credits (23 for the class of 2012 and beyond)
2. Score apprentice, proficient, or distinguished level in reading on the CATS assessment.
3. Score apprentice, proficient, or distinguished level in math on the CATS assessment.
4. Score apprentice, proficient, or distinguished level on the writing portfolio.
5. Complete the Individual Learning Plan (ILP) to 100% each year.
6. Student must demonstrate performance-based competency in technology in one of the following ways: 80% mastery on the JCPS 8<sup>th</sup> grade technology assessment, IC<sup>3</sup> certification, or successful completion of the computer applications course.

## ADVANCED PROGRAM

For those students who qualify through JCPS, the Advanced Program offers the opportunity to follow a stimulating curriculum designed for the academically gifted. **A minimum of 12 credits must be earned in Advanced Program classes in at least three of the following areas- English, Math, Science, Social Studies, and World Language. Advanced Humanities is also required for the Advanced Program.** Students are required to take a minimum of **three** Advanced Program classes per semester. Advanced Placement classes also satisfy this requirement. A cumulative GPA of 3.0 (B) is required to remain in the program. Students must also fulfill all of the diploma requirements (see next page) in order to graduate). \*Note: Only a total of 12 Advanced credits are REQUIRED

## COMMONWEALTH DIPLOMA

The Commonwealth Diploma is unique to the state of Kentucky. The intent of the diploma is to recognize those students possessing both superior academic talents and superior drive to accomplish consistent, outstanding academic performance. The following is the summation of the requirements as adopted by the Kentucky Board of Education:

- Successful completion of at least 23 approved credits, including all the minimum requirements for high school graduation.
- Successful completion of all minimum requirements of the pre-college curriculum.
- Successful completion of at least 4 courses as described in the Advanced Placement Program Course Description booklets of the College Entrance Examination Board:
  - English 1 course
  - Science or Math 1 course
  - World Language 1 course
  - Other 1 course
- Successful completion (score of 3 or above) of three AP exams in the above subject areas.

## ADVANCED PLACEMENT GENERAL INFORMATION

Typically a score of three or higher (on a scale of five) on the exam is considered "passing." Many schools will grant college credit or placement for a passing score, check with your specific school for credit information. Exams are administered in May. A fee is associated with each exam taken.

## ADVANCED PLACEMENT SCHOLARS

The College Board recognizes outstanding Advanced Placement students through its AP Scholars Program. There are different levels to the program, as outlined below:

AP Scholars	Granted to students who receive scores 3 or higher on three or more AP exams.
AP Scholars with Honor	Granted to students who receive an average score of at least 3.25 on all AP exams taken, and grades 3 or higher on four or more of these exams.
AP Scholars with Distinction	Granted to students who receive an average score of at least 3.5 on all AP exams taken, and grades of 3 or higher on five or more of these exams.
AP State Scholars	Granted to the one male or one female student in each U.S. state and the District of Columbia with grades of 3 or higher on the greatest number of AP exams, and the highest average grade (at least 3.5) on all AP exams taken.
AP National Scholars	Granted to students in the U.S. who receive an average grade of at least 4 on all AP exams taken, and grades of 4 or higher on eight or more of these exams.

## High School Grading and Transcripts

### Grading Scale

Score	Standard Score	College Scale*
A	93 – 100%	90 – 100%
B	86 – 92%	80 – 89%
C	79 – 85%	70 – 79%
D	70 – 78%	60 – 69%
U	0 – 69%	0 – 59%

### Grade Point Average

Score	Standard Quality Point Value	Weighted Quality Point Value*
A	4.0	5.00
B	3.0	3.75
C	2.0	2.50
D	1.0	1.25
U	0	0

\*Weighted grades and the College Grading Scale are utilized in Advanced Placement and Dual Credit courses only.

Both the weighted and unweighted GPA's will appear on the official transcript. In addition, while JCPS does not individually rank senior students in each school, schools are encouraged to identify ranking by percentile for colleges and universities (e.g. top 10%).

## High School Student Support

### Extended School Services

■ High school students are given the opportunity to receive ESS: as an intervention strategy throughout the year; if students are attempting and failing a course that is needed for graduation; and if students received an Incomplete at the end of the semester.

### Course Enrollment: Points of Emphasis

■ A request for a student's schedule change must occur within the first ten school days of the semester.

■ Students who elect to work as teacher assistants in lieu of taking a class must obtain approval from a parent/guardian and the counselor.

## NCAA Clearinghouse

(Essential if you want to play sports in college!)

1. Apply online ([www.ncaa.org](http://www.ncaa.org))
2. Download and complete the release form.
3. Take the completed release form to the counselor's office with a stamped, addressed envelope. The counseling office will send the transcript.
4. Download the final transcript form and keep it until NCAA asks for it at the end of the year.
5. Make sure you complete the required core courses (see below).
6. Make sure you have the minimum test scores and GPA (available on the NCAA website).
7. Look at [www.ncaaclearinghouse.net](http://www.ncaaclearinghouse.net) to make sure you are taking approved NCAA-approved core courses.

### NCAA Division II Core Courses (14)

- 3 years of English
- 2 years of Math (Algebra I or higher)
- 2 years of natural/physical science
- 2 years of additional English, Math, or Science
- 2 years of Social Science
- 3 years of additional core courses (including world language)

### NCAA Division I Core Courses (16)

- 4 years of English
- 3 years of Math (Algebra I or higher)
- 2 years of natural/physical science
- 1 year of additional English, Math, or Science
- 2 years of Social Science
- 4 years of additional core courses (including world language)

## Scheduling Directions

Please complete all of the following on the *Student Course Requests* sheet.

1. Print first and last name clearly.
2. Circle your grade level for the 2011-12 school year.
3. Circle magnet.
4. Place your signature on the appropriate line.
5. Have parent guardian place signature on appropriate line which indicates they have reviewed and approve your course choices for the upcoming school year.
6. Review the scheduling packet paying special attention to pre-requisites and required grade levels for classes.
7. Select 8 classes you would like to take for next year, selecting requirements for graduation before selecting electives.
8. Note these 8 choices with an 'X' in the 'X' column.
9. Ask current teachers in the content areas of your chosen classes to initial in the "Tchr Initials" column. Teacher initials indicate you have discussed your choice with the teacher and they feel you are capable of successfully completing the workload required in the chosen class(es).
10. Use a highlighter to highlight the 8 courses you have chosen.
11. Choose 3 alternate classes you would also like to take in case the scheduling program is unable to satisfy the initial 8 requests. If you choose not to list alternatives, then electives will be chosen for you based on availability within the master schedule.
12. Note your 3 alternate classes by writing A1, A2 and A3 in the X column beside the appropriate course.
13. Return completed "Student Course Requests sheet" to the receptionist in the Guidance Office by 3 PM on Tuesday, February 15.
