

Sign up for Khan Academy to become lean, mean derivative machine!

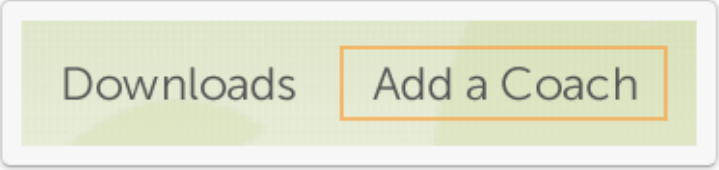

[Log in to Khan Academy](#) using either your Google or Facebook account.

Then follow these directions:

**You don't have any students yet.**

**Each of your students needs to sign in and follow these steps:**

First, they should click on the [Add a Coach](#) link at the bottom of the page.

Then, they should enter your Coach ID in the form that looks like this:

Your Coach ID is **Eric.Purvis@Jefferson.kyschools.us**.

Finally, they need to click the *Register Coach* button. It looks like this:

Start practicing and stay tuned for future assignments...
