

MESSAGE TO PLAYERS

The Crimson Baseball Camp is designed to teach young players the fundamentals they need through instruction that is challenging and, most importantly, fun.

Our experienced staff places the emphasis on teaching the fundamentals of baseball. We try to help every player learn the proper techniques that they can take home with them to practice.

We also make time to emphasize what we feel are vital mental and off-the-field qualities of a good player and a good person.

We invite you to join our baseball family and have some fun this summer.
